

New Year's Eve Folklore

Dancing together into the New Year

For the 20th anniversary of the New Year's Eve seminar in Bad Bederkesa, we warmly invite all dance enthusiasts this year to a very special program: The renowned dance teachers are **Filip Arilon** (dances from North Macedonia) and **Vladica Tanasijevic** (dances from Serbia). Live music from North Macedonia and Serbia will be provided by **Stojan Stojanov** (clarinet) and **Aleksandar Smrekic** (accordion). Dancing will take place in two groups: slow and fast learning pace. Prior dance experience makes participation easier.

If you would like to dance with us for the first time, please contact Heidi Miller (+49 0421 623148) for advice and further information about the program.
